

# DILIGENCE SOLUTIONS

## FOR BUSINESS GROWTH

### BIG DATA IS NOW ACCESSIBLE TO YOU

Through an exciting partnership with rel8ed.to Analytics and Momentum – The Business Growth Agency, the award-winning Diligence Leads platform is now available to all organizations.

### ABOUT DILIGENCE

The Diligence™ Platform identifies your next customer in your current or new market, offering “big data” solutions that used to only be available to the largest corporations. With do-it-yourself tools and expert guidance, Diligence™ can pick unique traits from your best customers, **create a target profile**, **reveal new leads** in your sweet spot, and connections you couldn't have imagined existed.

### WHAT YOU'LL GET FROM DILIGENCE

- Access **more than 100MM** companies in the global marketplace
- Utilize rel8ed's proprietary algorithms to find their next customers
- Receive live and on-going training on how to make the most out of Diligence (and any other data resource you use) through an exclusive LinkedIn group
- **Global data**, covering every major market
- **Organization registry** (owners, directors, licenses, permits, etc)
- **Attributes** (estimated size and revenue)
- **People, designations, agents** (e.g. women/minority owned, aboriginal businesses, licensed agents)
- **Classic and social contacts**
